The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage call 1-888-773-6590. Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0 Individual / $0 Family **Benefit Period: Plan Year**	N/A.
Are there services covered before you meet your deductible?	N/A	This plan has no deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductible for specific services.
What is the out-of-pocket limit for this plan?	$7,350 individual / $14,700 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met (Embedded).
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, penalties for failure to obtain Preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. This plan uses the **Multiplan PHCS Practitioner and Ancillary Services Network**. A list of network providers can be found at www.multiplan.com or call 1-877-952-7427.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
