Coverage for: Individual or Family | Plan Type: MEC

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.regionalcare.com](http://www.regionalcare.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-866-826-5317 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	No Deductible	You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <b>deductible</b>
Are there services covered before you meet your <a href="#">deductible</a> ?	No.	
Are there other <a href="#">deductibles</a> for specific services?	No	The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for your health care expenses
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	There is no out-of-pocket limit for the plan	
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, Prior Authorization Penalties, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes, when utilizing a network provider, a discount is applied.	There are no benefits for out-of-network services
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	Has to be an in-network specialist for the service to be covered by the plan
