| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | Network providers : \$1,000 individual / \$3,000 family Out-of-network providers : \$2,000 individual / \$6,000 family Benefit Period: Calendar Year | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. Prescription drugs , Preventive care , Emergency Room/Urgent care, primary/specialist office visits, pre/post-natal care, routine eye exam, and rehabilitation services are covered before you meet your deductible. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | Network providers : \$3,000 individual / \$7,500 family Out-of-network providers : \$6,000 individual / \$15,000 family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met (Embedded). |
| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges, penalties for failure to obtain Preauthorization for services, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. This plan uses the Blue Cross Blue Shield PPO Network . A list of network providers can be found at www.empireblue.com or call 1-800-810-2583. | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No | You can see a specialist you choose without a referral |
