| Important Questions | Answers | Why This Matters: |
|--|---|--|
| What is the overall deductible? | Network providers: \$5,000 individual / \$10,000 family Out-of-network providers: Not Covered Benefit Period: Calendar Year | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> (Embedded). |
| Are there services covered before you meet your deductible? | Yes. <u>Prescription drugs</u> , <u>Preventive</u> <u>care</u> and primary care services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Network providers: \$6,000 individual / \$12,000 family Out-of-network providers: Not Covered | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met (Embedded). |
| What is not included in the <u>out-of-pocket limit?</u> | Premiums, balance-billing charges, penalties for failure to obtain Preauthorization for services, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. This plan uses Cigna PPO Network. A list of network providers can be found at www.cigna.com or call 1-800-997-1654 | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No | You can see a specialist you choose without a referral |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
